Message from Dean – Mr. Pramod Reddy.

For students, parents and all of us around in the world were trying to establish the school again after COVID-19 and it was an uphill battle. Yet, everyone eventually adapted to the classroom setting and began to do better over time.

Together with our children, our committed staff members are and will continue to “Aspire for Excellence”.

We thank our parent's for believing in us and we are anticipating a great partnership for the next academic year 2023-24.

*Regards,
Pramod Reddy.*
